

# FUNDRAISING

Dear Potential Supporter:

You may have arrived at this page after receiving a recent fundraising call on behalf of Nebraska AMVETS. We want to inform you that a telephone fundraising campaign is currently underway to support our programs and services.

We understand that many national veteran organizations also reach out to Nebraska residents, which can be confusing. To clarify, if you would like to support our state organization specifically, you should receive a letter similar to the one provided below.

For inquiries about pledges or to donate by phone, please call (800) 646-2469.

To make an online donation, please visit [www.donate-neamvets.com](http://www.donate-neamvets.com).

To donate by mail, send your contribution along with your pledge number to:

DEPARTMENT OF NEBRASKA  
**AMVETS**  
AMERICAN VETERANS

Dear (Donor's Name),

Thank you for agreeing to support the Department of Nebraska AMVETS. We are very grateful for your support, and our programs would not be possible without community sponsorship and support from people like yourself. Please accept our enclosed decal as a small token of our appreciation. We hope you will display it with pride, recognizing the significant impact your support has on Nebraska veterans.

With the freedoms we enjoy today in America, it's easy to forget that many of the men and women who made those freedoms possible—our veterans—are still suffering. From their viewpoint, it might seem like a "grateful nation" has forgotten them. I assure you, AMVETS has not, and will never, forget their sacrifices.

The Nebraska AMVETS programs and activities are far more than remembering the days of service past. We focus on what we can do for our veterans today and the effects we have on tomorrow. Proceeds raised from this campaign will not only help support the association but also enable service officers to continue reaching out to veterans in need. Some veterans simply need benefits counseling and advice on navigating the federal bureaucracy, while others need help with healthcare, employment, or rehabilitation. We offer these services at no cost, and there is no requirement to join AMVETS to receive assistance.

The Department of Nebraska AMVETS sincerely appreciates your donation. Your support enables us to continue funding our vital programs and reaffirms to our veterans that we are a "grateful nation" that recognizes and values the sacrifices they have made for our freedom.

Please take a moment to mail your tax-deductible contribution today! To donate online go to:

Sincerely,  
Department of Nebraska AMVETS

If you receive a form in the mail that does not resemble the one above, it is not from our organization and is likely from one of the national organizations that also conduct fundraising campaigns.

Whether or not you choose to support our organization, we aim to ensure that every phone call made on our behalf is courteous and professional. If you experienced any issues or believe further action is needed, please reach out to us for immediate assistance. Be sure to include your name, address, the phone number that received the call, and the date and approximate time of the call.

Thank you in advance for your support.
